Material: Cowhide Leather
Weight: 10oz, 12oz, 14oz, 16oz
Colour: Black/white, Red/white, Blue/white
Use: Professional training glove

IMPACT WRIST PROTECTION

WRIST SUPPORT

The wrist is supported by two bands of flexible foam that combined with the bandages, make this glove an effective solution for the prevention of wrist injuries. The support promotes the correct impact of the punch on the target. The wide adjustable velcro closure completes this protective structure.

INJECTION FOAM TECHNOLOGY

Single element padding that dissipates the impact of the punch.

ERGONOMIC CLOSURE

The glove allows the complete closure of the fist during the impact, this feature helps to protect the hand of the boxer.
